JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

tine at Mateeabrooj; those which have had sickness on board, fifteen days' quarantine.

BRAZIL.

Sanitary reports from Rio de Janeiro.

RIO DE JANEIRO, *February 1, 1897.*

SIR: I have the honor to transmit report for the week ended January 30, 1897:

There were 8 deaths from *accessio pernicioso*, the same as in the foregoing week; 10 from yellow fever, an increase of 7; 5 from beriberi, a decrease of 3; 4 from enteric fever, the same as in the foregoing week; 38 from tuberculosis, an increase of 5, and 265 from all causes, an increase of 4.

The health of the port and town continues good, exceptionally good for the season, and nothing of interest, from a sanitary point of view, has occurred.

Since last report the following-named ships have been visited or received bills of health from this office: January 26, barkentine *Josephine*, American, for Baltimore, Md.; bark *Julia Rollins*, American, for Baltimore, Md., and steamship *Catania*, German, for New York. January 28, ship *Anglo-American*, British, for Ship Island, Miss., and bark *Magdalena*, Norwegian, for Ship Island, Miss. January 29, bark *Katardin*, British, for Ship Island, Miss., and bark *Prince Regent*, Norwegian, for Ship Island, Miss. January 30, bark *Fiorella*, Norwegian, for Pensacola, Fla.; steamship *Coleridge*, British, for New York, N. Y.; steamship *Canarias*, French, for New Orleans, La., from Santos, and bark *Augustine Kobbe*, American, for Mobile, Ala. February 1, steamship *Gertor*, British, for Saint Lucia, West Indies, and steamship *Georgian Prince*, British, for New York, from Santos.

Respectfully, yours,

R. CLEARY, M. D.,
Sanitary Inspector, U. S. M. H. S.

CUBA.
